OUR FOUNDER

MICHAEL J. HARRIS

Michael J. Harris, a member of the Rotary Club of Tucson (Casas Adobes) founded the **Ride to End Polio in 2009**. He set out to find a way for smaller clubs to take advantage of the Gates Foundation match.

The ride has since grown into a major fundraiser, attracting more than 100 cyclists and raising millions of dollars each year.

ABOUT

Now in it's 37th year, El Tour de Tucson is a fundraising adventure ride attracting 8,000 cyclists of all ages and abilities in the US and worldwide.

In 2009 Rotary joined El Tour as a "beneficiary" to raise funds to support our efforts to eradicate polio. Since that time, Rotary cyclists have raised more than US\$45 million (including matches) in donations toward that goal. We call our effort the **Ride to End Polio**, part of the last push to eradicate this disease.

Top fundraisers (districts, clubs and individuals) are recognized and their names are inscribed on the Harris Trophy on display at Rotary International Headquarters in Evanston.

Come join me and the Evanston team in the Ride to End Polio!

INDOOR RIDE TO END POLIO

NOV 11-17

A ready-made polio fundraiser for clubs and districts around the world.

Join the Ride to End Polio anywhere in the world. Hop on a stationary bike the week of November 11 and collect pledges for minutes instead of miles.

Better yet, form a team in your Club or District including Rotarians, friends and family and ride together.

- Support polio eradication efforts.
- Help your club or district reach its fundraising goals.
- Enjoy fun, fitness and fellowship with fellow Rotarians.
