Eradicating Polio: Rotary's Top Priority

Rotary's top priority is eradicating polio. Contributions you raise will support immunization campaigns in developing countries where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families. As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. By seeking contributions in support of your Ride to End Polio, you can help Rotary achieve a polio-free world.
