Send completed form to ernie.montagne99@gmail.com. As an alternative, the form can be mailed to Indoor Ride to End Polio, 6925 Donatello Way, Tucson, AZ 85741.

Upon receipt of your team registration, D5500 will send a fundraising packet to the Team Leader. We ask the Team Leader to provide a copy of the packet to each team member.

Important note. Rotary District 5500 organizes the Indoor Ride to End Polio in conjunction with Indoor El Tour de Tucson, organized by Perimeter Bicycling Association of America. D5500 encourages each indoor rider to register with Perimeter Bicycling through the “registration” tab at <http://ridetoendpolio.org>. These fees go to Perimeter Bicycling and do NOT support D5500 or PolioPlus. Perimeter Bicycling has established the following fee structure for the Indoor El tour de Tucson:

- \$10. The rider will receive from Perimeter Bicycling an electronic bib number and (upon completion of the ride) an electronic certificate of completion.
- \$20. **Only for riders in the United States.** Riders who complete the indoor ride will also receive an Indoor El tour de Tucson medal.
